26 May 2011: **AACC & Qatar Airways participating in Exporttag**

On Thursday, 26 May 2011, the Austro-Arab Chamber of Commerce participated in the "9. Österreichischer Exporttag" of the Aussenwirtschaft Österreich (AWO) , at the WKO, Wiedner Hauptstrasse 63, 1040 Vienna. The "Exporttag" featured interesting lectures, discussion panels and an exhibition of enterprises specialised in export and trade between Austria and foreign countries.

With more than 2500 visitors throughout the whole day, this year's Exporttag marked again an important platform for informational exchange, presentation and consultation with companies, enterprises and the public. As every year, the AACC's participation at the Exporttag attracted a high number of interested companies, enterprises and visitors, who approached the AACC's representation for consultations, cooperation inquiries, information, network service and many other matters.

This year, the AACC was especially honoured to present itself at the "Exporttag" in cooperation with its new member Qatar Airways.
