Why Invest in Oman?

## Diversification

Government focus on industrialization and public-private partnerships to diversify the economy away from oil and gas.

## Political and Economic Stability

We are proud of Oman's legal transparency, economic stability and political tranquility.

## Infrastructure

State-of-the-art roads, airports, ports, free zones and industrial estates.

## Strategic Location

At the centre of the east-west nexus joining markets in Europe, Asia and North America in addition to proximity to Africa.

## Capital and Profit Repatriation

There are no restrictions on capital, profit repatriation, currency exchange or dividend transfers.

## Transparent Legal System

Investor-friendly legislative environment.

## Trade Agreements

Signatory to WTO, GCC common market, GAFTA, FTAs with USA, Singapore, Iceland, Norway, Switzerland and Lichtenstein.

## Taxation

Corporate tax is low at just 15%.

# Target Sectors

**Tourism**

**Logistics**

**Fisheries**

**Mining**

**Education**

**Manufacturing**

# A new Foreign Capital Investment Law issued in 2020

## New Regulations

### Foreign Ownership

100% foreign ownership  
now available nationwide.

### Custom Exemptions

Exemptions on the import  
of plant machinery and raw  
materials for five years  
from commencement of  
production.

**Tax Exemption  
for 5 years**

**ZERO personal  
income tax**
