enjoy your ride

SERVICES

Airport Service

Avoid stress at the airport and get your trip off to a safe and relaxed start with the MIA Airport Transfer Service.

Business Service

No matter how tight your schedule is, MIA - Limousine will get you where you need to be - whether it's a business meeting, a city tour or a trip with multiple destinations.

Chauffeur Service

Whatever you need, our responsive hourly service offers a chauffeur at your disposal for as long as you require.

Event Services & Congress

MIA - Limousine is your partner, specialized in planning and organizing the entire range of logistical issues at large events, meetings and conventions.

WHO WE ARE

MIA Limousine is based in Vienna. We've grown to become one of the leading companies for exclusive chauffeured transportation.

If you need to get from A to B safely, reliably, in comfort and, most importantly, on time, then we're your partner of choice. You can rest assured of that.

We have made it our mission to offer our clients a service that we can guarantee will be second to none - perfect, reliable and in accordance with the most exacting standards of quality and service.

In addition to making extensive use of state-of-the-art information and communication technology to support our operations at every level, we also employ a customised software solution - track and trace - to ensure that everything runs smoothly and that reservation, booking and billing are precise.

And no matter which type of vehicle you require, you can rest assured it will be fully serviced and, most importantly, safe. Regardless of what it is you're looking for, we'll be there for you – with your best interest foremost in everything we do.

✓ **Online Booking System**

✓ **Flight Tracking**

✓ **Delegation & State Visits**

✓ **Dispatch Team**

✓ **Meet & Greet**

A high-quality photograph of a Mercedes-Benz car's interior, focusing on the steering wheel and dashboard. The steering wheel features the Mercedes-Benz logo in the center. The dashboard has two analog gauges on the left and a digital display in the center showing a warning message. The interior is finished with dark leather and wood trim. A white rectangular border is superimposed over the image, framing the text.
